This one-day Emergency Paediatric First Aid course has been designed for those who have an interest in child and infant basic life support.

If you have a professional interest, i.e. you are a child-minder or school teacher, etc, then this course partly fulfils the requirements of Ofsted and the Early Years Foundation Stage (EYFS). Ofsted and the Early Years Foundation Stage require you to have 12 hours of paediatric first aid training, so the 2-Day Level 3 Award in Paediatric First Aid would be required to fulfil their requirements. This 6 hour qualification also makes up the first half of the 12-hour course.

## Duration

A minimum of six hours makes up this unit consisting of theoretical and practical work, plus some pre-course activity could be required.

## Syllabus

A range of subjects is covered including:-

- Responsibilities and reporting
- Assessment of the situation
- Dealing with an unresponsive casualty
- Wounds and bleeding
- Shock
- Resuscitation
- Minor injuries
- Epilepsy
- Anaphylaxia

## Certification

Assessment is ongoing by the instructor in respect of the student's practical ability, along with a multiple choice question paper.

A three year certificate will be issued, subject to assessment.

## Numbers

A maximum of 12 students can be accommodated on this course.

## Age limit

Students must be a minimum of 16 years of age to qualify.

## Location

We are able to deliver this course on your site, subject to a pre-course assessment of your premises, reducing your costs in respect of additional time out and travelling.
